

Local Tiny Nation Nanny Profile

Anna Wellington

About Me

I am an experienced and qualified nanny. I have lived in Wellington for 20 years, so have an excellent knowledge of the many resources for children in the community. I love being creative - baking and jewellery making, being active - gardening and axe throwing! I am community and family-focused - I volunteer weekly and I love to spend time with family.

My Training

I have completed the New Zealand Early Childhood Education and Care qualification (Level 3). I also hold a current first-aid certificate.

My Service

I love to cook and bake with the children in my care. I have found they are more inclined to explore and try new food if they have helped create it.

I have toilet trained all of the young children in my care and can support your family with this, at the right time.

I can fold a perfect fitted sheet!

My Philosophy

I believe in child-led learning and learning through play. I enjoy connecting with children, observing them and discovering their individual and current interests. I extend these interests by providing a range of resources and activities to support their learning.

My Availability

I am available Monday to Friday, 7am-6pm. I am also available for casual babysitting if needed.
