

# Tiny Nation Educator Profile

# Sarah

## About Me

I am a trained and qualified teacher, I have been an early childhood home-based educator for the last 10 years. I love to see children of all ages engaged in something they love and witness their joy when they achieve success.

## My Philosophy

I believe in the uniqueness of every child. I love to help children find their voice and develop their individual personalities in a safe, caring and fun environment.

I pride myself on letting children take risks and push boundaries with a gentle, guiding hand. I encourage them to find the right way and celebrate every little success of their journey, as they develop.

## My Environment

I live in the seaside suburb of Lyall Bay. I provide a loving, secure family environment in which I engage and encourage the children on a daily basis.

Each day we participate in a different activity outside of the home, we love to go to our local parks and playgrounds, and of course the beach!

I have a fully equipped playroom, complete with cosy reading corner, arts and crafts, puzzles, dress ups and pretend play, water play, sand-pit and ride on toys.

I work with families to ensure that together we provide the best possible experience for a child to thrive, be happy and feel joy.

### Places we like to visit:

- ASB Arena
- Chipmunks softplay
- Parks and playgrounds
- Beach
- Swimming pools
- Playgroups
- Music group
- Library storytime

## My Training

I am a qualified teacher and I am a fully certified first aider. I regularly engage in professional development courses.

## My Availability

I am available Monday-Friday, 8am-5pm.
