About Me

I have worked in early childhood centres for three years caring for children under two. Before starting my qualifications I was a regular babysitter for various children aged between 8 months and 12 years. I have completed the NZMA Early Childhood Education Level 4 and am now working towards becoming fully qualified (Levels 5, 6 & 7) in Education and Care.

My Availability

I am available to work from the family home four days a week, 8 hours per day (negotiable).

My Philosophy

I believe every child should learn through play and fun. Each child grows at their own pace, and I support them without rushing. With the right care, children become strong and confident individuals.

I prioritise the safety and well-being of every child, treating everyone equally, regardless of gender, ethnicity, culture, or learning abilities. I set high goals for myself and work hard to achieve them. I enjoy learning new things, creating fun activities, and making sure every moment is enjoyable for the children I care for.

My Training

I hold the NZMA New Zealand Early Childhood Education Level 4.

I also have a certificate in First Aid for Young Children.
