About Me

I always knew that I wanted to work with children. I started studying straight out of high school and gained my Bachelor in ECE. I have worked as a key teacher in two centres.

I have also worked at a summer camp for 2 years in a row where I worked exclusively with the 6-9 year olds for about 7 weeks.

I always knew when I was little that I would grow up to work with children so I am out here making younger Georgia proud.

My Training

Bachelor of Early Childhood Education and First Aid certificate.

My Philosophy

Strong relationships are at the forefront of all my interactions, I grow these on the values of trust, respect and kindness. I follow a RIE philosophy and want children to blossom and succeed.

My Learning Environment

I love for children to have fun, enjoy play but also experience what is out in our community. So I look to create experiences that meets the child's and families interests and aspirations.

My Availability

I am available Monday - Friday from 6:30am.

Can be available weekends if needed by the family on occasion.
