

Local Tiny Nation Nanny Profile

Lia

Trentham, Upper Hutt

About Me

I trained as a nanny at Whiteria Community Polytech in 1991. I have been lucky enough to have worked with some great families in many places - Sydney, Atlanta, Chicago, London and Dublin, as well as here in the Hutt Valley.

I have cared for children ranging in age from newborns to teenagers. Most of my local jobs have been for at least two years. I have been with my current family for over eight years, so I definitely like long-term roles.

My Availability

I am available 8am-5pm, Monday to Friday.

My Service

I can offer families great planning skills, flexibility, cooking and a clean and full New Zealand driver's licence. My first aid qualification is up-to-date. I have great budgeting skills, a good sense of humour, a calm personality and I am able to turn negatives into positives!

My Training

I have completed the New Zealand Early Childhood Education and Care qualification (Level 3) and I also hold a current, comprehensive first-aid certificate. Plus, I have a New Zealand Nanny Certificate (Level 5) - 1991.

My Philosophy

Children need to be able to be children - to enjoy life, have fun and be able to learn and grow in a safe and caring environment. I love being a nanny as every day is different. Playgroups, parks, library visits and music sessions are all activities that we like to get involved with.
