

Local Tiny Nation Nanny Profile

Lul

Maupuia, Wellington

About Me

I was born in Somalia and moved to New Zealand over 21 years ago. I am from a large family and grew up surrounded by lots of children. I am a mother of 2 children, my son and daughter are both at primary school. I love children, caring for them and encouraging them. I have worked in both home based care and a child care centre.

My Service

I assist and support children's learning and development through fun and play, so that they may grow into confident and competent individuals. We attend community learning programs and I organise regular outings. I provide age appropriate learning opportunities, including arts and crafts. Provide an inclusive daily structure and child related food preparation and housekeeping.

My Philosophy

I am a fun, patient person who genuinely enjoys the company of children. I believe it is very important to develop a relationship of trust with each child so that they feel secure, comfortable and know that you are there for them. This then allows the child to play and learn. It is important to learn what motivates and interests each child and let this direct you in supporting their play and experiences.

My Learning Environment

I prioritise children's well-being and safety. Children should be able to play and explore while being safe and well cared for. I enjoy visiting local spaces and groups with children such as local libraries, playgroups and parks.

My Training

I have completed my New Zealand Level 4 certificate in Early Childhood Care and Education and have a current St Johns Child First Aid Certificate.

My Availability

In the family home, Monday to Friday, preferable during school hours.
