

Tiny Nation Nanny *Profile*

Michelle

Island Bay, Wellington

About Me

I grew up in Hawke's Bay on a berry farm with my three siblings. I had a wonderful childhood with lots of outdoor play.

I began nannying as a 24-year-old when I did my OE in England. Working with children was a natural fit and I haven't looked back since.

I have had a vast amount of experience caring for under 2-year-olds, which I thoroughly enjoy.

the *joy* of play.**

My Service

I understand the importance of including children in all activities. I encourage them to share and help them feel a sense of belonging.

My Training

I hold an NZQA Level 4 certificate in Early Childhood Education and Care. I have completed the Introduction to Early Childhood Education (ECU) modules and I have a current first-aid certificate. I have also completed further professional development courses, including:

- Demonstrate Knowledge of Child Development
- Demonstrate Knowledge of Settling Young Children
- Develop observation skills to observe a young child
- Guide Young Children's Behaviour
- Provide a Safe Environment for Young Children

My Philosophy

I am a firm believer in allowing children to explore their world their way and act as a guide when needed.

My Availability

I am available Monday-Friday, 8am-6pm.
