

Local Tiny Nation Nanny Profile

Sally Taita, Lower Hutt

About Me

I have worked in home-based early learning and care for nearly 20 years. I have five grown-up children and six grandchildren. I enjoy cooking, reading, walking and spending time with my family.

My Philosophy

I feel children learn best through personal experience, so I like to expose them to everyday real life' events, activities, and places. To help them gain a greater understanding of the world around them.

I ensure that the needs of the children I look after are met by keeping routines consistent. I am mindful that they are individuals, which is essential to nurture their individual strengths and interests.

My Service

I provide a warm, loving, relaxed and unhurried family environment. I offer a well-balanced programme that includes experiences out in the community, as well as at home.

I believe it is crucial to build and cultivate positive, strong relationships with the children in my care, ensuring they feel safe and secure, and that they belong.

My Training

I hold the New Zealand Certificate in Early Childhood Education and Care (Level 3). I also have a current first-aid certificate and an Advanced Driving Skills certificate.

My Availability

Monday-Friday, 8am-5pm.
