

Local Tiny Nation Nanny Profile

Sarah

Alice Town, Lower Hutt

About Me

Originally from UK/South Africa, I have lived in New Zealand for 20 years. I come from a nursing background, experience in multi-births, newborns, toddlers, school age and intellectual disabilities. I have worked overseas as a house manager/nanny, overseeing all aspects of household management and infant care. I also have experience in teaching children to swim. I have over 30 years' experience in childcare.

My Philosophy

I believe children are confident, competent learners, who are curious and intelligent. It is up to us to see who the child is at their core, and let them shine.

My Service

I like to take the children in my care on morning adventures, usually to playgroups, parks, the zoo or museum. I'm a great believer in wider socialisation, so we usually arrange playdates and get-togethers with other nannies in the area. In the afternoon we craft, read stories and enjoy playing word and/or number games.

My Training

I have completed the New Zealand Early Childhood Education and Care qualification (Level 4) and I also hold a current, comprehensive first-aid certificate. Plus, I have studied Autism New Zealand Principles and Strategies for Behaviour.

My Availability

I am available Monday-Thursday (plus some Fridays), 7.30/8am-5.30pm.
